

35th Anniversary Time Capsule

Hello CWL Sisters,

As you are probably aware we have the excitement of our 35th SJB CWL Anniversary coming up quickly on September 16th.

We are inviting all Sisters to submit a small item for the SJB CWL 35th Anniversary Time Capsule. This Capsule will be opened in ten years at the next Anniversary!

Think how exciting it will be for future SJB CWL members to find such interesting sharing of information, photos, various items and personal reflections just to suggest a few ideas.

How about a personal reflection written on why you joined CWL? It may have been a CWL Sister who inspired you or asked you to join. Perhaps you wanted more Spirituality or sense of belonging in your life. Maybe you felt it was just the right time. Many diverse personal reasons we hope you will share for the future CWL Sisters.

Everyone enjoys a Photo! Pictures represent a certain occasion in life. The visual memory makes an impact on the senses and can be shared with others many times. If you are thinking of a Photo please write the names on the back and the special occasion it was taken at.

What type of changes have you seen in CWL in regard to your personal growth and interest? Perhaps a Convention enlightened you, a social get together of Sisters and Faith bring to mind how wonderful the Sisterhood is, an activity for Community or Parish that made an impact on you.

There may be many special keepsakes that are special to you. If you would like to put one in the Time Capsule please attach your name and memory.

You are invited to put your selection in the Time Capsule on September 9th at the 35TH Anniversary or any time before the Bazaar in October at which time it will be sealed.

Thank you in advance Sisters,

God Bless you all for all your caring and service over the years to Council. This has enabled us to be Blessed in celebrating our 35 Anniversary for God and Country.
